Exclusive ones on my feet, Dickie shorts with the  
crease  
Even if you from the streets, music soothe the savage  
beast  
Nothing like makin love in the shower in the tub, in the  
car,  
In the truck that's when you turn it up  
Me and you, you and me all night in the suite  
9 to 4 10 to 3 lotta liquor plenty trees  
Back scratching, head grabbin, toes curl, both earl?  
Its your world so thourogh matter fact you go girl  
Nonstop, get it in, take a breather, hit again  
Best part of this whole thing we every bit of friends  
That's what make it better though think it make you  
wetter though  
But that's in god's hands something we will never know  
And you gotta give it to me 'cause im kinda clever  
though  
And i speak my mind all the time it's whatever yo  
But u done learned enough and i gotta burn it up  
But i all i ask for you to do is just t-turn it up

(Jadakiss)

Saturday Night off in Katana, All these Girls Dressed in

Even lovelier to meet ya  
Wont you let me buy ya drink  
:what ya sippin' on:  
Now baby i'll be honest  
When i first saw ya  
I couldn't help of thinkin bout  
What you were like in bed

I know that I just met ya  
But would you agree if I said  
We need to..

(Intro to Hook)  
:Be alone:  
My car is right outside  
:Be alone:  
And it ain't too far of a drive  
Over to my place  
I know all the right songs to play  
'cause I tell you

(Hook)  
It aint nothin like makin all kinda love  
To sum music  
Turn the music up  
Tongue kissin and huggin  
Touchin and rubbin  
To that music  
Turn the music up...

(1st part)  
So if you love that Maxwell  
:turn it up, turn it up:

(2nd Verse)  
Now we off up in the ride  
Crusin down sunset  
Girl you see T-Pond  
Is smellin so good to me  
I wanna love you like Usher  
'cause I know you really Nice & Slow  
I'm like Ginuwine  
You got me So Anxious  
So let me play Tyrese for my sweet lady  
Now I know just what Jan meant

When she said  
Its Funny How Time Flies

(Hook)  
It aint nothin like makin all kinda love  
To sum music  
Turn the music up  
Tongue kissin and huggin  
Touchin and rubbin  
To that music  
Turn the music up...

Aint drop 1 single of my own girl  
Well back to the groove  
Fill the patron more  
Baby you want more  
And im built to last  
Slow motion or fast  
We'll have a blast  
Get spot you aint even know you had  
Now here's an idea

And it seemen like a Dope Fiend need a little more in
