[Intro]

Said I got, I got  
And I love, I love  
And I say, I say  
Everyday, everyday  
Said I got, I got (an angel)  
And I love, I love (my angel)  
And I say, I say (she's an angel)  
Everyday, everyday (she's my angel)

[Verse 1]

Daily, nightly, you are in my world  
Words can't, say how, much I need you girl  
Still I'd, like to, try and find a few  
To paint a, picture, of how I feel for you

[Bridge]

Inspiring, unbelievable, I'm smart enough to know  
That only the real, could speak the truth  
And I don't lie, baby I need you

[Chorus]

So real, I hope you understand the way I feel, inside  
So clear, there's only one girl I want right here, in my  
life  
And that's the way I feel about you baby  
No lie  
I swear that there's an angel missing from heaven,  
tonight  
And the angel is mine  
Said I got, I got (an angel)  
And I love, I love (my angel)  
And I say, I say (she's an angel)

Everyday, everyday (she's my 2]  
Lying, cheating, I would never dare  
I'll be, honest, that's how much I care  
For you, I'll give, up the playboy rules  
They're overrated, when compared to you

[Bridge]

[Chorus]

[Verse 3]

You'll be the real, could speak the truth  
And I won't lie, baby I need you  
And I only hope, you need me the same  
Cause without you, I'm less of a man

[Bridge]

[Outro]

So real, I hope you understand the way I feel, inside  
So clear, there's only one girl I want right here, in my  
life  
And that's the way I feel about you baby  
No lie  
I swear that there's an angel missing from heaven,  
tonight  
And the angel is mine  
All mine, all mine, all mine  
All mine, all mine, all mine  
Said the angel is mine
