You break me down said you get me weak,  
you love me so good at times, it's hard just to speak,  
you oughtta go to jail for whatcha doin' to me

it ain't fair, you don't care  
but i ain't goin nowhere  
cause i crave it, i like it,  
it's dead wrong but feels so right,  
oh baby all i ask is that you have a little mercy

I try to break, break, break it off  
I wanna clear my head of you  
instead I take, take, take it off  
ooh and I'm back in bed with you  
wish I could make, make, make it stop  
I'd like to turn my head around  
but I keep drivin' down a dead end road  
soon i'll crash this much i know  
but what do you do  
when the very worst man for you,  
is the very same man you are

now i've done all that i thought it would take  
to show you that in my arms  
you'll finally be safe  
but you are like a runaway train,  
who can't find a brake  
I know this, you shove this  
but foolishly i ignore it  
cause when you make love to me  
i can't help but ignore it  
baby all i ask is that you have a little mercy

I try to break, break, break it off  
I wanna clear my head of you  
instead I take, take, take it off  
ooh and I'm back in bed with you  
wish I could make, make, make it stop  
I'd like to turn my head around  
but I keep drivin' down a dead end road  
soon i'll crash this much i know  
but what do you do

when the very worst man for you,  
is the very same man you are

now if you've had half a heart  
you wouldn't let me stay  
and if i had half a brain  
then i'd walk away

but i crave it, i like it  
it's dead wrong but feels so right,  
oh baby all i ask is that you have a little mercy

I try to break, break, break it off  
I wanna clear my head of you  
instead I take, take, take it off  
ooh and I'm back in bed with you  
wish I could make, make, make it stop  
I'd like to turn my head around  
but I keep drivin' down a dead end road  
soon i'll crash this much i know  
but what do you do, say what do you do  
say what do you do, what do you do  
when the very worst man for you,  
is the very same man you aren't
