Oh Yea. .

Oh Yea. .

Knew Something Was Off, When I Came Home Today  
Let Her On The Stairs To Get It Down I Had A Way ???  
Knew You Weren't Happy You Mentioned It Before  
It Didn't Really Register Til You Were Here No More

And If I Could Reach You On The Phone  
I'd Tell Ya, That I'm Sorry For All The Wrong  
And I Wish That I Could Do It All Again

I Wish That I Could Touch Ya  
I Wish That We Were Friends  
Long Before We Hooked Up  
I Wish That It Was Magic And Lasting  
And I Didn't Take You For Granted  
It Be So Nice And So Right  
Baby If I, Could Do It All Again  
Do It All Again

Pieces Of Your Heart  
Moments Of Your Life  
One Thing That You Just Can't Get A Refund On Is Time  
[But I Wanna Go Back]  
Back To When I First Met You [Back]  
Back To When I Would Never  
Ever Not Have Your Back  
All I'm Saying Is That

And If I Could Reach You On The Phone  
I'd Tell Ya, That I'm Sorry For All The Wrong  
And I Wish That I Could Do It All Again

I Wish That I Could Touch Ya  
I Wish That We Were Friends  
Long Before We Hooked Up  
I Wish That It Was Magic [Yea] And Lasting [Yea]  
And I Didn't Take You For Granted  
It Be So Nice And So Right

Baby If I, Could Do It All Again

I'm Out Of All The Reasons Why  
And I'm Not Ashamed To Say  
That I'm Also Out Of Pride  
I Just Want You Where I Think That You Belong  
Right Here By My Side  
I Wish That I Could Do It All Again

I Wish That I Could Touch Ya [I Wish]  
I Wish That We Were Friends [We Were Friends]  
Long Before We Hooked Up [Yea]  
I Wish That It Was Magic [Yea] And Lasting [Yea]  
And I Didn't Take You For Granted  
It Be So Nice [So Nice] And So Right [So Right]  
Baby If I, Could Do It All Again  
Do It All Again

I Wish That I Could Touch Ya  
I Wish That We Were Friends  
Long Before We Hooked Up  
I Wish That It Was Magic [I Wish] And Lasting [I Wish]  
And I Didn't Take You For Granted  
It Be So Nice And So Right  
Baby If I, Could Do It All Again  
Do It All Again
