(Don't know what it is)
But every time I'm with you
(I feel like I'm on pills)
Especially when I kiss you
(When I touch ya skin)
I can feel my body numb
Girl you got me twisted, let a nigga hit it

(You make me high)
And I just don't believe how
(I touch the sky)
Every time you come and put ya hands on me
(Look In my eyes)
Girl I'm so gone
Turned out
Ohh your love is so strong

Chorus
Dope fiend, Dope fiend
I'm just like a dope fiend

When it comes to your love
Girl I'm like a junkie
Dedicated to your drug
Baby let me get some
Smoke you, snort you, shoot you in my system
(Repeat)

Verse II

(Can't nobody touch ya)
Cause you are like no other
(Straight up hustla)

(Give me a dime) Hell naw (Give me a dub)
Girl let's go to rehab, rehab's in the tub

(You make me high)
And I just don't believe how
