Tell me how long till the day, that you love me,
and tell me how long till the day that you care

(Forever, forever ever, forever ever, forever ever)

I've been watching you, I've been asking
around by the way that you get down
how u want who you be with, things that makes you
smile, really wanna know you,
how can get closer my dear cuz everything i see girl i
thinking bout u, and i can't go to sleep when
I'm dreaming about u. i dont see nothing wrong,
with a man telling a woman that she haves if she want
some. baby i am here for you

take my hand this yours for life, I'm gonna do you
anyway but right, if we together im good forever
forever, forever, forever girl. I'll be faithfull
everything i swear,
if you let me in i ain't going nowhere
if we together I'm good forever, forever, forever,
forever girl.

standing right by your side thats the only place that i
wanna be.
So tell me what you think off a man who loved you, tell
me what you think about me?
cuz everyday i see girl i thinking about u, and i
can't go to sleep when i dreaming about you.
i dont see nothing wrong, with a man telling a woman
that she haves if she want,
baby i am here for you.

take my hand this yours for life, I'm gonna do you
anyway but right, if we together im good forever
forever, forever, forever girl. I'll be faithfull
everything i swear,
if you let me in i ain't going nowhere
if we together I'm good forever, forever, forever,
forever girl.

Never were a player, want more then just to date you

really want to change your life.
Thats why i everyday, i am doing every way still keeps
walking by
Tell me how lang till the day, that you love me,
and tell me how long till the day that you care
(whoooehoo)

take my hand this yours for life, iâ€™m gonna do you
anyway but right, if we together im good forever
forever, forever, forever girl. iâ€™ll be faithfull
everything i swear,
if you let me in i ainâ€™t going nowhere
if we together iâ€™m good forever, forever, forever,
forever girl.

Forever, Forever, Forever Ever.
