[Chorus]

Iâ€™m hurtin, Iâ€™m certain  
I ainâ€™t never felt like this before  
And Iâ€™m weakened, steady thinking  
That youâ€™re about to walk through the door  
I guess this is what love looks like,  
What love taste like, what love feel like  
I guess your boy finally in love, Iâ€™m in love

Today is Saturday, august 8th,  
Iâ€™m just sitting here thinking bout whatâ€™s wrong with  
my life  
I know you think Iâ€™m tough but girl Iâ€™m crushed  
Cause when the sun goes down you wonâ€™t be coming  
home tonight  
No you wonâ€™t lady  
There ainâ€™t a day goes by, I donâ€™t struggle not to cry  
Fighting just to hold back tears  
Because I miss you, wuhu  
You gave your all to me, but I did not see  
But I was loosing til you left  
Now what am I gonna do  
I canâ€™t really say right now, but let me tell you

[Chorus]

Never once did I try to walk in your shoes  
Try to look at the good you were here to do baby  
You didnâ€™t want diamonds and pearls, even loved a  
child  
That another woman brought in this world  
Now I have some truths to face,  
Like I canâ€™t look my son in the face and tell him  
How to give a woman love, nah I didnâ€™t do it  
How to Â... when I didnâ€™t do it

[Chorus]

I guess Iâ€™m finally in love, Iâ€™m on love  
I canâ€™t stand to see you in another manâ€™s arms  
And I wonâ€™t sleep, oh no, till you come through my

door  
Say that you giving us one more try  
Change all the wrongs back into rights  
Let me bring you happiness instead of shame  
Would you please, would you please take away the pain

[Chorus]

Wanna have a good life, I want you to be my wife  
Just love is what you need  
I know you gonna see it  
And Iâ'd give anything and everything to have you  
home, whoa, oh
