Ooh, oh  
Ooh, oh  
Ooh, oh  
Ooh, oh

How many people know about  
That, that in the middle of the night love  
You know brown folks know what I'm talkin' about

Y'all know what this is  
So, so def

Ooh, it's midnight  
And I'm tappin' you on the shoulder  
I just got home from work  
And I wanna do you know what  
(Hey)

Yeah, it's 12:02  
And I'm slidin' up under the covers  
I'm leavin' on my socks  
'Cause I got my mind on lovin' you

Don't understand enough  
How we feel about, now you know  
When I get like this somethin' is gonna happen  
And you have the means to make me feel  
Like I'm welcome you got a lot but as sweet as candy  
I don't ever wanna stop, baby

Give me just  
(A little more kissin')  
Baby, would you give me just  
(A little more feelin')

Oh, give me just a little more love  
(Baby)  
Give me just  
(A little more touchin')

Baby, would you give me just  
(A little more rubbin')

Oh, give me just a little more love

It's so special  
(When you come alive)  
It's so special  
(When you get it right)

Ooh, it's so special  
(When you call my name)  
Mean what you say

It don't take ya long to get in the groove of thangs  
To get in the move of thangs that you like and I like  
Lord, it only takes one touch  
To get you to do the thangs that I love so much  
Baby, I'm a sucker for you

Don't understand enough  
How we feel about, now you know  
When I get like this, somethin' is gonna happen  
And you have the means to make me feel like I'm  
welcome  
You got it a lot but as sweet as candy  
I don't ever wanna stop, baby

Give me just  
(A little more kissin')  
Baby, would you give me just  
(A little more feelin')

Oh, give me just a little more love  
(Baby)  
Give me just  
(A little more touchin')

Baby, would you give me just  
(A little more rubbin')  
Oh, give me just a little more love

Give me just  
(A little more kissin')  
Baby, would you give me just  
(A little more feelin')

Oh, give me just a little more love  
(Baby)  
Give me just  
(A little more touchin')

Baby, would you give me just  
(A little more rubbin')

Oh, give me just a little more love
