I am the luckiest men in the world
if you can sit were iâ€™m sitting no doubt you would
gettin
and i take my head off to you girl
cuz to me u are different and i need you to keep this
I made for you, i came for you to claiming for your own
you can be sure that, the love i had..
is yours and yours alone
and there is no one left, nobody else, let this feeling go
baby i just want you to know

baby no girl comes close, baby no girl i know
canâ€™t touch what you have, they even in your class
baby no girl i see, baby no girl can be
be the girl that you are, baby no girl would do
cuz baby no girl is you

i donâ€™t wanna be king of the world
cuz if you donâ€™t come with you
iâ€™d rather stay here and i never go back of my
world
baby iâ€™ll never play you, let me be clear

I made for you, i came for you to claiming for your own
you can be sure that, the love i had..
is yours and yours alone
and there is no one left, nobody else, let this feeling go
baby i just want you to know

baby no girl comes close, baby no girl i know
canâ€™t touch what you have, they even in your class
baby no girl i see, baby no girl can be
be the girl that you are, baby no girl would do
cuz baby no girl is you
They need you, they can do
do the things you do, who play your move
baby you know to stand alone
come with you, i ever sit you yeahh
iâ€™m wanna still my whole life tryna show
the whole world already know oh oh

baby no girl comes close, baby no girl i know

can't touch what you have, they even in your class
baby no girl i see, baby no girl can be
be the girl that you are, baby no girl would do
cuz baby no girl is you
