Yo Chet, I always be getin hit up on the twitter right,
Like
be Like man, Yo Johnta man, what kind of girl you into
man, what you like ?
I be like um

I like a long hair, thick red bone
She give me what I need
So I give her what she want
but then i like a tall, pretty brown, dark chocolate
I tell her work it out, and she be like , yo i got this
and she said, ooh daddy can you kiss it right there
hit it right there
get it right there
and then i be like,
fuck yes i can kiss it right there,
oh hit it right there
oh gett it right there
this for janel
this for michelle
this for taneesha,
and for danielle
this is for teeshia
and nouvelle,
i love em all
who cant you tell

like Kandi got tats and she like it from the back
porsha she got a slim waste and she like it face to face
tanash got thick thighs and I swear she love to ride for
me
you heard that didnt ya
oh well i digs em all now dont ya know
but theres one above all that i cant let go
so i call her black bird and she call me dilanger
shes everything that turns me on, oh

I like a long hair, thick red bone
She give me what I need
So I give her what she want
but then i like a tall, pretty brown, dark chocolate

I tell her work it out, and she be like , yo i got this
and she said, ooh daddy can you kiss it right there
hit it right there
get it right there
and then i be like,
fuck yes i can kiss it right there,
oh hit it right there
oh get it right there

im a sucker for a mean walk, dirty talk, stupid fatty
i just gotta have it like a pimp need a caddy
i like some of them slim but mostly all of them thick
when they heavy, i lay back and they take all of this
dick
im talkin 5, '7 s and 6 footers with no heels when they
legs go spread niggas shit get red
skin colored like naomi if you want me get cocky but i
gotta let you its gunna be hard for you to stop me
ima beast , im beat some pussy with a shawty that dont
push me back,
look me in the eyes and tell me hit it like that
cum drink with me keep it wet
love dancin
honestly all i need me is some scarlett johanson
sometimes i feel like wayne and wish that i can fuck em
all
around the world, in the club, when i be walkin through
the mall
so many, so many of my type everywhere
i just wanna walk up to em and say baby can i hit it

I like a long hair, thick red bone
She give me what i need
So i give her what she want
but then i like a tall, pretty, brown, dark chocolate
i tell her work it out, and she be like , yo i got this
and she said, ooh daddy can you kiss it right there
hit it right there
get it right thereee
and i be like, fuck yes i can kiss it right there, oh hit it
right there oh gett it right there
