They Say Everyone Would Do It
If It Wasn't So Tough
And I Heard When Love Is Not Madness
Then It's Not Really Love
But Whoever Wrote That Down
Must Not Know The Truth

*

Tell Me What Do You Do
What Do You Do
When Your Heart Is Not Your Own
You're The One That Holds It In
Is The Reason For Why You Fall
Wish I Could Say

I Know

I Know

I Know

How To Find Some Other Way

To Love You

Love You

Love You

Baby But The Truth

Is That I'm So Scared

Do What I Feel

*

And When The Smoke Clears

All That's Left Will Be

The Sound

Sound Of My Broken Heart

Ohhh

My My My My Broken Heart

Woaah

My My My My Broken Heart

I Remember Our First Kiss

But It's Distant In My Mind

Because What Comes Ahead Of Me

Is Rememberin The Very First Time

The First Time That You Lie (Lie)

The First Time That I Cry (Cry)

The First Time That It Hurt So Bad

That I Wanted To Die

What Do You Do

What Do You Do

When Your Heart Is Not Your Own
You're The One That Holds It
Is The Reason For Why You Fall
Wish I Could Say

I Know

I Know

I Know

How To Find Some Other Way
To Love You

Love You

Love You

Baby But The Truth

Is That I'm So Scared

Do What I Feel

*

And When The Smoke Clears

All That's Left Will Be

The Sound

Sound Of My Broken Heart

Ohhh

My My My My Broken Heart

Woaah

My My My My Broken Heart

Sound Of My Broken Heart

You Can Say That Your Gorgeous

But It Does No Good

Cuz Love Is Worth So Much More

Than Someone Looks

Cuz I Don't Want You To Let Me Know That Im Beautiful

That's Easy

I'd Rather Be Beautiful Because

Wish I Could Say

That I Know

I Know

I Know

How To Find Some Other Way
To Love You

Love You

Love You

Baby But The Truth

Is That I'm So Scared

Do What I Feel

*

And When The Smoke Clears

All That's Left Will Be

The Sound

Sound Of My Broken Heart

I Know
