there's not a army i could tear us apart  
and if i die tonight  
i had the time of my life  
i'd trade the world for a piece of your heart  
one thing i know for sure  
i'll never let you go

hey girl lets be clear  
things are better when you are here  
i need you, how i need you  
hey boy i feel the same  
gives me chills just to call your name  
i want you, how i want you  
be without you, i can't do it  
never wanna go  
never wanna know  
what's it like without you,  
i can't do it  
so say you'll never go  
i'll be here no matter what the future holds  
so when ever you're in doubt  
i want you to know

my love, i give to you  
and my heart, is forever true  
so whatever you do please baby  
don't shed a tear  
cos i'll be here  
when you feel alone  
and when, when you need a home  
and when the sun don't shine  
and the sky's no longer blue  
i'll still be loving you

there's no place i'd rather be  
then right here by your side  
so comfortable (so comfortable),  
it's so comfortable (comfortable to me)  
oh one of the best part of my day  
is looking forward to the night  
you're so wonderful, so wonderful  
be without you, i can't do it

never wanna go  
never wanna know  
what's it like without you,  
i can't do it  
so say you'll never go  
i'll be here no matter what the future holds  
so when ever you're in doubt  
i want you to know

my love, i give to you  
and my heart, is forever true  
so whatever you do please baby  
don't shed a tear  
cos i'll be here  
when you feel alone  
and when, when you need a home

and when the sun don't shine  
and the sky's no longer blue  
i'll still be loving you

to tell the truth  
i never felt for no one but i feel for you  
you're the best thing that i got whoa whoa  
well here's a scar  
take what you feel  
and know that i feel it more  
and it will never, never never stop

there's not a army i could tear us apart whoa  
and if i die tonight (guess what)  
i had the time of my life (oh baby)  
i'd trade the world for a piece of your heart (i know)  
one thing i know for sure (i'd never)  
i'd never let you go (never let you go)

my love, i give to you  
and my heart, is forever true (is forever true)  
so whatever you do please baby  
don't shed a tear (no baby)  
cos i'll be here  
when you feel alone  
and when, when you need a home  
and when the sun don't shine  
and the sky's no longer blue (i'll still be, i'll still be)  
i'll still be loving you  
loving you, be loving you, be loving you  
i'll still be loving you  
i'll still be loving you  
be loving you, be loving you, be loving you  
i'll still be loving you
