[Verse 1: Johnta Austin]  
Saturday Night off in Katana, All these Girls Dressed in  
gabbana  
Spotted a girl I've never seen  
(Did ya come along)  
It's so lovely just to see ya  
Even lovelier to meet ya  
Wont you let me buy ya drink  
(What ya sippin' on)  
Now baby I'll be honest  
When I first saw ya  
I couldn't help of thinkin bout  
What you were like in bed  
I aint tryin ta sweat ya  
I know that I just met ya  
But would you agree if I said  
We need to...

[Intro to Hook:]  
(Be alone)  
My car is right outside  
(Be alone)  
And it ain't too far of a drive  
Over to my place  
I know all the right songs to play  
Cuz I tell you

[Hook:]  
It aint nothin like makin all kinda love  
To sum music  
Turn the music up  
Tongue kissin and huggin  
Touchin and rubbin  
To that music  
Turn the music up...

[Verse 2: Johnta Austin]  
So if you love that Maxwell  
(Turn it up, turn it up)  
How about some Jodeci  
(Turn it up, turn it up)  
Bump and Grind to R. Kellz  
(Turn it up, turn it up)  
All you gotta do is say J  
Turn it up

[Bridge: Johnta Austin]  
Now we off up in the ride  
Crusin down sunset  
Girl you see T-Pond  
Is smellin so good to me  
I wanna love you like Usher  
Cuz I know you really Nice & Slow  
I'm like Ginuwine  
You got me So Anxious  
So let me play Tyrese  
For my sweet lady  
Now I know just what Jan meant  
When she said  
It's Funny (funny) How (how) Time (time) Flies

[Hook]

[Verse 3: Johnta Austin]  
I hear some Mary J.  
(Turn it up, turn it up)  
And I know you diggin Faith  
(Turn it up, turn it up)

Don't Alicia got it goin' on  
(Turn it up, turn it up)  
All you gotta do is say J  
Turn it up

[Johnta: Rap]  
Now I'm grown girl  
And if I hit you with a dick one time  
You'll be gone girl  
Let's get it on girl  
We'll let the Marvin Gay play  
While J do it all night long girl  
I'm in the zone girl  
Turn up your radio  
And I guarantee that you'll hear one of my songs girl  
I write hits, gotta crib witta elevator in it  
Aint drop 1 single of my own girl  
Well back to the groove  
Fill the patron more  
Baby you want more  
And I'm built to last  
Slow motion or fast  
We'll have a blast  
Get spot you aint even know you had  
Now here's an idea  
We ain't waitin for the crib  
Pull over the 550  
Lets do it right here  
And it seemen like a Dope Fiend need a little more in  
love so Baby  
Turn it up

[Hook]

[Verse 4: Johnta Austin]  
One time for Jagged Edge  
(Turn it up, turn it up)  
And girl I know you like 112  
(Turn it up, turn it up)  
And Luther is the best  
(Turn it up, turn it up)  
So all you gotta do is say J  
Turn it up
