There were 17" of snow.
Oooo, I wanna go.
But this time just my be my last.
It was there and ready to go.
Oooo, it had a glow.
But this one did not have the same shine.

There were 17" of snow.
Oooo, I wanna go.
But this time just my be my last.
It was there and ready to go.
Oooo, it had a glow.
But this one did not have the same shine.

It was dark....and loud....and people runnin' round....

It was dark....and loud....and people runnin' round....
It was dark....and loud....and people runnin' round....
It was dark....and loud....and people runnin' round....

There were 17" of snow.
Oooo, I wanna go.
But this time just might be my last.
It was there and ready to go.
Oooo, it had a glow.
But this one did not have the same shine.

It was dark....and loud....and people runnin' round....
