(Male Voiceover):

What you want me to do about that?  
What's done is done  
There's nothing I can do to change it..  
But see look, that's.. that's not even the question  
That's not the question at hand  
The question is...  
Do you still love me?  
Oh you do?  
Do I still love you?  
You oughta know what time it is,  
Wit yo' Pendulum Vibe...

(Joi):

If you choose  
to invade my thoughts  
you could at least  
use gentleman's duel rules  
you could at least use gentleman's duel rules  
fair warning to prepare  
would have been a considerate gesture

I guess when you deal with love,  
etiquette is not a factor, no  
etiquette is not a factor

Chorus:

Fatal lovesick journey  
Fatal lovesick journey  
Fatal lovesick journey  
Fatal lovesick journey  
fa-a-a-a-ta-al lovesick journey  
Fatal lovesick journey

So now,  
Thief of Hearts  
has come up from the depths of love's ocean  
snatched my heart and put it in an

in an  
oxygen temple  
and returned to love's sea  
never ever to return from this  
fatal lovesick journey

(repeat chorus and fade)
