What's it gonna take to get through to you?
I just don't know what I'm gonna do
I wanna be so into you
but, you just keep playin' me for a fool

Thoughts of you are heavy on my mind
at other times I don't think of you at all
but oh, those times you're heavy on my mind
that's when the tears start to fall

Chorus:

but, I don't mind... don't mind
no-no, no, no, no, no-o-o-o
I don't mind, don't mind

Just the other night while I was sleeping
visions of you ran through my head
and in the morning when I woke up
I thought you were lying beside me in my bed
then I realized it was all just a dream
a cruel joke played on me by my thoughts
but all this dreaming & hallucinating of you I'm doing
I just have to say

(repeat chorus)

You can use me and abuse me
just do what you want
I don't mind...
no, I don't mind
no, I don't mind
no, I don't mind
