O! Bitter Sweet,
can't get you off my mind
you always visit me at the strangest times
I wish I knew
why you are doing this to me
always taking me back to where I wish I could be

you really, really should not tease me so
but that's your role to play, in life, I know
well, since you're here
you should stay a while
your beauty dazzles me like trip down the Nile

Chorus:

memories... of how it used to be
memories... of you and me
memories... of how it used to be
memories... of you and me

why don't you take me, take me, take me back
to the place
where I used to be, yeah
oh the bitter sweet, bittersweet memories
ahhhh, ahhhh, ahhhh

why don't you take me back
to the place
where I used to be
take me back
sweet memories
to the place where I used to be

so why don't you take me back
to yesterday, the distance of it
seems so far away
and why don't you bring it back
sweet memories
to the days of how it used to be
