Give it!

Somein bout the sexy music
Love the way you feel ya
Lookin at you i can't help it
Make me want you to reveal
What's under your clothes
I just wonder what's under your clothes
Makes me wonder when you...

*CHORUS

Move it
I like the way you move it
Don't stop now baby do it
So sexy
You can't take your eyes off me ha
Your likin what you see ha
Well come on baby watch me

watch me watch me watch me oh

I think i wanna do ya oh
You got open
And if keep on movin like this I'ma lose control
Think i better leave you alone Cause
you make me wonder what's under your clothes
You make make me wonder when you

*CHORUS (2x)

You got my attention
Nobody else matters
You like the way I
Twist it, dip it, lift it, roll it, twerp it don't ya?
I can tell you want me
Cause you keep on starin
At the way I
Twist it, dip it, lift it, roll it, twerp it, move it

*CHORUS (3x)
