verse 1:

Ooo tell me if you want me to say whats on my mind
baby
I can't keep it to myself no more
am I out of line baby
I know that we've been talking alot
but just on the surface I wanna know if its worth it
Come on baby let me know something
showing up at your job just to see your face baby
feeling like a stalker you should come on and arrest
me baby
Been behaving badly since the moment that you had
me
can't you see what you've been making me do

chorous:

Maybe you should file a restraining order
Baby put the handcuffs on me
Take me down or take me now
Lock me up or lock me down
Put me in your cell treat me like i'm in your jail
Boy your crime I have committed but if you with it
I wanna spend 25 to life with you (Oohh)
Not even kidding boy
25 to life with you (Oohh)
Only if you with it boy
Take me now (Oohh Noo)
Cause I want to spend the rest of my life with you

vers 2:

I am a repeat offender that is why I stay with ya
Your the number one contender let me have my way
with you
Evidence is clear there's no room for error boy I fell for
you
Boy you got me going through it going through it baby
Show up at your spot (Just so I can get next to you)
Something like a superstar
Must've been inside edition
Flicking pictures everywhere you are
You should know I'm gonna get caught
Catch me if you can

chorous:

Maybe you should file a restraining order
Baby put the handcuffs on me
Take me down or take me now
Lock me up or lock me down
Put me in your cell treat me like i'm in your jail
Boy your crime I have committed but if you with it

I wanna spend 25 to life with you (Oohh)
Not even kidding boy
25 to life with you (Oohh)
Only if you with it boy
Take me now (Oohh Noo)
Cause I want to spend the rest of my life with you

VERSE 3:

I'm willing to go before the judge and testify my love
and put me on the stand and I'll tell them you're the
main man
that I wanna spend my life with
I'll be your ride or die chick
Call up the reverend and baby I'm gonna tell him that
I do love you and if you love me too just say I do
And kiss your bride, let the people throw the rice
Honeymoon on an island
Baby you and I can serve 25 to life

CHOROUS:

File a restraining order
Baby put the handcuffs on me
Take me down or take me now
Lock me up or lock me down
Put me in your cell (Baby) treat me like i'm in your jail
(Oohh)
Boy your crime I have committed but if you with it
I wanna spend 25 to life with you (Oohh)
Not even kidding boy (Just make it more)
25 to life with you
Only if you with it boy
Take me now (Oohh Noo)
Cause I want to spend the rest of my life with you

CHOROUS:

File a restraining order
Baby put the handcuffs on me
Take me down or take me now
Lock me up or lock me down
Put me in your cell treat me like i'm in your jail
Boy your crime I have committed but if you with it
I wanna spend 25 to life with you (Oohh)

Not even kidding boy
25 to life with you (Oohh)
Only if you with it boy
Take me now (Oohh Noo)
Cause I want to spend the rest of my life with you
