He always fly as he wanna be  
Cooler than a mother  
And the girls always lookin' but he's just my lover  
Andre (Ah-Ah-Ah-Ah-Andre)  
Love How You Go Your Own Way (Andre)  
Some people think he's strange but he never try to  
hide it  
Diamond in the rough and that's just how I like it  
That's my Andre (Ah-Ah-Ah-Ah-Andre)  
Love How You Go Your Own Way (A)

He wears a leather jacket in June  
Got a convo straight to the moon  
He's a fire that you can't contain  
I get weak just sayin' his name  
So bright raspberry beret  
No Prince but a King to me  
See he got his own rules to the game  
After him I'll never be the same

When we get lifted as the night gets nearer  
Vibe gets heavier the clothes get wetter  
I'm a sucker for a guy with a beautiful mind  
And he's all mine

He always fly as he wanna be  
Cooler than a mother  
The girls always lookin' but he's just my lover  
Andre (Ah-Ah-Ah-Ah-Andre)

See my man make you wanna invest  
Got my heart beating out of my chest  
And he sounds like Jazz to me  
Like he swam right out of my dreams  
And I love how we go with the flow  
Just chillin in our personal fish bowl

And I know it sounds kinda strange  
It's a love that you can't explain

When we get lifted as the night gets nearer  
Vibe gets heavier the clothes get wetter  
I'm a sucker for a guy with a beautiful mind  
And he's all mine

He always fly as he wanna be  
Cooler than a mother

Probably knew you in some other life  
Baby, I was your man and maybe you my wife  
And I wouldn't even question, wouldn't think twice  
It all makes perfect sense  
And if ever you're still not mine  
I'll can still love you from a distance til the end of time  
And I hope we'll be friends on down the line  
It all makes perfect sense

He always fly as he wanna be  
Cooler than a mother  
The girls always lookin' but he's just my lover
