VERSE 1:

Can somebody explain to me
Why everybody is tryin' to be livin' like a celebrity
Doin' what they see on MTV
Right it's cool but I'm looking for more
Simple things is what my heart beats for (cuz that's me)
I don't ask for much (baby)
Having you is enough

CHORUS:

You ain't got to buy nothin'
(it's not what I want)
Baby it's you
We don't have to go nowhere
(it's not what I want)
Baby it's you
It's not 'bout what you got
I know you got alot
No matter what you do, you always get it hot it's you (its
you)
Baby all I want is you yeah

VERSE 2:

It don't matter that your car is fly, fly
And your rims are spinnin' on the side
And it don't matter where we go tonight
Cuz if I'm with you I'll be all right
That's cool, but I'm lookin for more
It's your love that my heart beats for (cuz that's me)
Don't have to spend a dime (baby)
I just want your time

CHORUS:

You ain't got to buy nothin'
(it's not what I want)
Baby it's you
We don't have to go nowhere
(it's not what I want)
Baby it's you
It's not 'bout what you got
I know you got alot
No matter what you do, you always get it hot it's you,

it's you (its you)
Baby, Baby all I want is you yeah

Baby gurl don't care bout my dough stack
And she a down chick and she know i luv that
She sees pass all this Bow Wow stuff
Because she knows at the end of the day the only thing
that matters is us
And it be lot's of groupie on da rodie
But they can't do nothing for me i got a good gurl back
at home
Matching charm bracelets and pendants whoever
would of thought our relationship would be so
tremendous
And lately u been missin me crazy
And anytime u miss me
Baby side kick page me

Da type of gurl u bring home just to meet ur mom
I'm not Lornez Tate but i think i caught a luv Jones
Cuz i think about her every time i hear a slow song
And when she think about me i think about her too
When she ride for me baby imma ride for u
Let's go

CHORUS:

You ain't got to buy nothin'
(it's not what I want)
Baby it's you
We don't have to go nowhere, nowhere
(it's not what I want)

It's not 'bout what you got
I know you got alot
No matter what you do, you always get it hot it's you,
