I'm way to cool for ya boy.
That's why it'll never work.
I'll have you
Suicidal,
Suicidal,
When I say its over.
Damn all these beautiful girls.
They're only gonna do ya dirt.
We'll have you
Suicidal,
Suicidal,
When I say it's over.

Yeah, yeah.
I remember when
I was hanging with my friends.
Thats when I caught your eye.
You thought that I was fly.
Right then you wished,
That I would be your baby. (Be your baby.)
You tried to spit some game.
Asking me, girl what's your name.
Saw that ice upon your chain,
So I asked you the same.
Something tells me,
That we'll have fun together. (Fun together.)

I ain't easy to find.
I'm one of a kind.
Oh when i dirty wine,
I know you're mine.
Tonight is yours,
Tomorrow's for another guy,

I'm way to cool for ya boy.
That's why it'll never work.
I'll have you
Suicidal,
Suicidal,
When I say its over.
Damn all these beautiful girls.
They're only gonna do ya dirt.

We'll have you
Suicidal,
Suicidal,
When I say it's over.

You've been calling me.
Leaving messages all week,
Cause your curiosity.
Got ya knees weak.
I'm not looking for a man,
So I dont want no confusion. (No confusion.)
I took you to the floor.
Had you begging me for more.
But that was my cue to go.
So i hit the door.
I left you hott,
But your mind's just been running wild. (Running wild.)

I ain't easy to find.
I'm one of a kind.
Oh when i dirty wine,
I know you're mine.
If you stick around,
Be careful not to fall in love,

I'm way to cool for ya boy.
That's why it'll never work.
I'll have you
Suicidal,
Suicidal,
When I say its over.
Damn all these beautiful girls.
They're only gonna do ya dirt.
We'll have you
Suicidal,
Suicidal,
When I say it's over.

A couple months have pasted.
Never thought that this would last.
Oh everybody asked,
How you got a girl like that,
But you should have known,
That nothing last forever. (Last forever.)

I mush up your mind,
When I tell you lies,
But boy don't be surprised,
That I'm seeing other guys.
I'm too young to settle,
And you should have known better. (Known better.)

Damn all these beautiful girls.
They're only gonna do ya dirt.
We'll have you,
Suicidal,
Suicidal,
When I say it's over.
