Hey, It's Jo jo,  
Welcome to my world,

(Chorus)

I feel butterflies,  
Floating around inside,  
Whenever I'm with you,  
I feel butterflies,  
I feel butterflies,  
Floating around inside,  
I don't know what you do,  
But I feel butterflies,

(Verse 1)

It's such a funny thing,  
Everytime you come around,  
I get this feeling,  
Kinda tingles, kinda tickles,  
Makes my heart sing,  
I'm all wrapped up,  
In a cocoon of  
This emotion you bring,

(Chorus)

I feel butterflies,  
Floating around inside,  
Whenever I'm with you,  
I feel butterflies,  
Floating around inside,  
I don't know what you do,  
But I feel butterflies,

(Verse 2)

My heart beat begins to race,  
My mind drifts to another place,  
And I feel like I can fly,  
Free as the wind, I can't pretend,  
I wish we were more than friends,  
And I know the reason why,

(Chorus)

I feel butterflies,

Floating around inside,  
Whenever I'm with you,  
I feel butterflies,  
I feel butterflies,  
Floating around inside,  
I don't know what you do,  
But I feel butterflies,

I feel, I feel, Butterflies, Butterflies  
(Repeat twice)  
Butterflies, butterflies  
Ooooh oh  
Lalalalalalala  
(Beat bopping)

Spoken: It's Jojo (laughs) Yeah, that's right. I feel  
butterflies
