(Intro)

This track makes me feel so good  
Better than I would by myself  
Or if I was with anybody else  
Make the people say yeah  
Yeah  
Unh

(Verse One)

You wanna put me in a palace  
All the way down in Dallas  
When you whisper in my ear and  
Make a Phantom just appear like magic

You wanna take me from my moms house  
To a Cambridge townhouse  
Louis purses to collect  
With some diamonds on my neck  
Is that what you're about, boy

(Hook)

You think I look good  
So you work your game  
Talking bout shiny little planes  
And a bunch of finer things  
No thanks, pequito

Brought me in the back  
So we can have a conversation  
I just need a little meditation  
Think about you and me

(Chorus)

Oh I can't believe it  
Ooh ooh he all on me, on me  
I, I, I think he want me, want me  
To be his one and only  
Yeah

(Repeat)

If you really want it let me hear you say  
Yeah, yeah, yeah, yeah

If you didn't know we make the people say  
Yeah, yeah, yeah, yeah

(Verse two)

Tryna buy me out the mall  
Throw ya paper on it all  
Wrapped in Dolce and Gabana and  
Come over when you wanna get involved, no

You're so sexy  
But it's hard to get me  
Boy I wanna know your heart  
And your mind  
Not just your pedigree

(Hook)

But you look so good  
So I wanna get to know you  
Maybe dinner or a walk  
Through the city  
Baby just us two

Boy I know you're focused  
And I dig your concentration  
I just need a little demonstration  
Talking bout you and me

(Chorus)

Oh I can't believe it  
Ooh ooh he all on me, on me  
I, I, I think he want me, want me  
To be his one and only  
Yeah

(Repeat)

If you really want it let me hear you say  
Yeah, yeah, yeah, yeah

If you didn't know we make the people say  
Yeah, yeah, yeah, yeah
