Yeah, yeah, oh  
Sorry, sorry, love  
Sorry, sorry, love  
Sorry, sorry, love  
Love, love, love, love

Wait, I know we hit it off on a good note  
But now you're getting little too comfortable  
Now let me put you on the game  
Wait, before you go and pull out the handcuffs  
I'm not your prisoner, don't try and lock me up  
That'll be your worst mistake (the biggest you'll ever make)

Sometimes what you want, it ain't what you get  
I say "I want love" then I take it back  
I guess I just don't know how to act  
I'm so-o-o-rry  
Sometimes what you give, it ain't what you get  
'Cause I gave my heart, and I ain't seen it back  
Now revenge is running through my veins yeah

Better unlock the chains  
Or else baby Imma breakaway  
Sorry but I can't change it, I was born this way  
ca-caught me cold blooded  
Put the blame on me  
charge me to the first degree  
Sorry but I love Jesus and in my DNA  
ca-caught me cold blooded

Yeah, yeah, yeah, yeah, yeah  
Caught me cold blooded

Stop, You're gonna make me put up a road-block  
Taking the life of me down to the left-drop  
you gotta give me room to breathe(or i will become the enemy)  
Boy, your girls gotta do what she gotta do  
So if you let me keep it moving, we'll keep it cool  
Don't try to change me babe, that'll push me away

Sometimes what you want, it ain't what you get  
I say "I want love" then I take it back  
I guess I just don't know how to act  
I'm so-o-o-rry  
Sometimes what you give, it ain't what you get  
'Cause I gave my heart, and I ain't seen it back  
Now revenge is running through my veins yeah

Better unlock the chains  
Or else baby I might breakaway  
Sorry but I can't change it, I was born this way  
ca- caught me cold blooded  
Put the blame on me  
charge me to the first degree  
Sorry but I love Jesus and in my DNA  
ca-caught me cold blooded

Yeah, yeah, yeah, yeah, yeah  
Caught me cold blooded  
Yeah, yeah, yeah, yeah, yeah  
Caught me cold blooded

know you think I'm a monster  
But my hearts been locked up  
Wanna keep me here  
You gotta let me come up for air  
Let me come up for air  
Can't be what you want me to be  
cause my love's just cold blooded

better unlock the chains  
or else baby I'ma breakaway  
Sorry but I can't change it, I was born this way  
ca-caught me cold blooded  
Put the blame on me  
It drives me to the first degree  
Sorry but I love Jesus and in my DNA  
ca-caught me cold blooded

Yeah, yeah, yeah, yeah, yeah  
Caught me cold blooded
