Oooh

Ohoh, for you (for you, for you, for you, for you)

I had a change of heart  
But don't know where to start  
What I'm about to say may surprise you  
But now I see it clear  
Life ain't always fair  
Oohh  
What can you do  
When you don't want to hurt him  
Cause you don't deserve him  
And there's no other way yeah yeah yeah yeah

I'm breakin' down  
I just can't take it any more  
Oh no I won't let you go  
You know I'm coming for you  
No matter what its gonna take  
I've gotta make this move  
You're the one, that I choose  
You know I'm coming for you  
And I just can't go another day  
Without you next to me  
Ohoh oh yeah

Don't know what to say  
I guess I'll take the blame  
Eventually it was bound to happen  
I know you played you're part  
I ain't trying to make it hard  
But its the right thing to do

When you don't want to hurt him  
Cause you don't deserve him  
And there's no other way yeah yeah yeah yeah

I break it down  
I just can't take it any more

Oh no I won't let you go

You know I'm coming for you (comin' for you)  
No matter what its gonna take  
I've gotta make this move  
Your the one, that I choose  
You know I'm coming for you  
And I just can't go another day  
Without you next to me  
Ohoh oh yeah

Now that you know the truth  
Just want to be with you  
Can't hold back  
This is real  
Cause what we share  
Its undeniable  
Don't want to hide no more  
Here I am  
And I'm coming for you oh

I break it down  
I just can't take it any more  
Oh no (oh no) I won't (I won't) let you go (go)  
You know I'm coming for you  
No matter what its gonna take  
I've gotta make this move  
Your the one, that I choose  
You know I'm coming for you (comin' for you)  
And I just can't go another day  
Without you next to me  
Ohoh oh yeah (oh yeah)

I break it down  
I just can't take it any more  
Oh no I won't (I won't) let you go  
You know I'm coming for you  
(For you, for you, for you)
