[JoJo]

I live in this fantasy  
Where everything is amplified  
Senses hiding in a flash  
And everything just comes alive  
This pressure all inside of me  
Is sexual anxiety

[Chorus]

Lately, there's a lot of freaky shit  
Running in my mind that I can't say  
But I know I can demonstrate  
And I can let my body explain  
I know I can demonstrate  
So I'mma make it simple and plain  
You just need to come over  
(I can let my body explain)  
I can just demonstrate

[JoJo]

I'm arrested by the night  
Where only you can set me free  
Guilty, but I'm not ashamed  
I'm exactly where I wanted to be, yeah  
I leave the door, open wide  
In hopes that you, would sneak inside

[Chorus]

Lately, there's a lot of freaky shit  
Running in my mind that I can't say  
But I know I can demonstrate  
And I can let my body explain  
I know I can demonstrate  
So I'mma make it simple and plain  
You just need to come over, come over  
I can just demonstrate, come over

[Bridge]

I'm thinking, come over come over  
Come on, I'm thinking  
Come over, come over, I'm thinking

[Chorus]

Lately, there's a lot of freaky shit  
Running in my mind that I can't say  
But I know I can demonstrate  
And I can let my body explain  
I know I can demonstrate  
So I'mma make it simple and plain

Eh (demonstrate) come over  
(I can let my body explain)  
So I can demonstrate  
Come over, ah
