[INTRO]

(Hey hey)

Caught in a maze, I can't find my way back  
But I'm trippin I love how you do me like that.  
A week is so long, I don't know how to act.  
Promise me when I see you, you'll do me like that.

Caught in a maze, I can't find my way back  
But I'm trippin I love how you do me like that.  
A week is so long, I don't know how to act.  
Promise me when I see you, you'll do me like that.

[VERSE 1]

Ho oo-oooh, You're waiting right in front of me.  
No it won't be long before you have to, go-ooo.  
I think I'm ready to, make this thing official  
Cause I don't want to lose you.

I want it and I know you want it to.  
Come on let's go, you know just what to do.  
So don't waste no time, cause right now,  
There's only one way to find out.

[CHORUS]

Caught in a maze, I can't find my way back  
But I'm trippin I love how you do me like that.  
A week is so long, I don't know how to act.  
Promise me when I see you, you'll do me like that.

Caught in a maze, I can't find my way back  
But I'm trippin I love how you do me like that.  
A week is so long, I don't know how to act.  
Promise me when I see you, you'll do me like that.

[VERSE 2]

It's stormin, at least wait till the rain stops, If you leave  
they'll be no one to keep me, warm here.  
You make me want to ooh.  
I never would have called if I wasn't trying to see you  
I want it and I know you want it to.  
Come on let's go, you know just what to do.  
So don't waste no time, cause right now,

There's only one way to find out.

[CHORUS]

Caught in a maze, I can't find my way back  
But I'm trippin I love how you do me like that.  
A week is so long, I don't know how to act.  
Promise me when I see you, you'll do me like that.

Caught in a maze, I can't find my way back  
But I'm trippin I love how you do me like that.  
A week is so long, I don't know how to act.  
Promise me when I see you, you'll do me like that.

[BRIDGE]

I know I never said this I, know I wasted time,  
All the things that we can do, on my mind.  
Many say they want it, but I waited for you,  
It's you that I adore, for real,  
You want to know the truth?  
Cause I adore what you do-ooooooooo.
