i could have lost it all,
trying to be your one and only, ah!
i almost came undone,
but i gotta free myself this moment, oh!

so shut up, shut up,
i'm about to get up, get up,
now that i can see clear
baby, i'mma break free, i'm out of here!

enough is enough,
i made up my mind, i gotta take it on,
first thing on tonight!
flowing down, hands up!
and i mean it this time,
baby i'm done, i'm gone, ...tonight!

you used to be the one,
but i slowly became the option.
you gotta take your time,
no more holding on!
