Roll With Me  
Yeah Yeah (3x)  
Roll With Me  
Yeah

Coldest Summer  
Under The Covers  
Can't Change The Weather  
What A Bummer

Feels Like Its Raining All Day  
Raining On May  
On May-Ay-Ay

Sounds Of Thunder  
Feels Like A Drummer  
Banging On My Headache  
This Is Scary

Hearts Beating Like A Cop Chase  
It's like Im Being Chased  
Im In A Horror Movie

Cause Youve Been Heavy On My Mind Baby  
Like A Broken Record On Replay

Going Crazy Cause I Wanna See Your Face  
I Wanna See Your Face Baby

I Remember It  
Like It Was Yesterday  
We Were Just Rebels On The Run  
Left Me Stranded  
Searching For Your Love

Guardian Angel  
Oh Help Me Out  
Where Can You Be  
Please Come Back To Me  
I Need My Guardian Angel

Oh Whyd You Go

I Wont Be At Peace  
Till You Come Back To Me  
Everybody Needs A Guardian Angel

Ohh Ohh Uh-Ohh-Oh  
Guardian Angel  
Ohh Ohh Uh-Ohh-Oh  
Yeahhh

Nowadays Im Trippin  
Everythings Different  
My Shadows Missing  
Im In Prison

Bars Keeping You And Me Away  
Locked Up In A Cage  
Like A Tiger Yeah

Scratching The Walls  
Im Full Of Rage  
I Need A Miracle  
Come Save Me  
Going Crazy In This Lonely World  
It's A Lonely World Bay Ba

I Remember It  
Like It Was Yesterday  
We Were Just Rebels On The Run  
Left Me Stranded  
Searching For Your Love

Guardian Angel  
Oh Help Me Out  
Where Can You Be  
Please Come Back To Me  
I Need My Guardian Angel

Oh Why'd You Go  
I Won't Be At Peace  
Till You Come Back To Me  
Everybody Needs A Guardian Angel

Ohh Ohh Uh-Ohh-Oh  
Guardian Angel  
Ohh Ohh Uh-Ohh-Oh  
Yeahhh

My Hands Are Tied  
Can You Hold Me Tonight  
If It Was You I'd Sacrifice  
I Need You Now To Take The Will

Angels Of The Sky  
Can You Hear My Cry  
Dont Trust Myself Tonight  
Take The Will Guardian Angel

Oh Why'd You Go  
I Won't Be In Peace  
Till You Come Back To Me  
Everybody Needs A Guardian Angel

Oh Help Me Out  
Where Can You Be  
Please Come Back To Me  
I Need My Guardian Angel

Oh Whyd You Go  
I Wont Be At Peace  
Till You Come Back To Me  
Everybody Needs A Guardian Angel

Ohh Ohh Uh-Ohh-Oh  
Guardian Angel  
Ohh Ohh Uh-Ohh-Oh  
Yeahhh  
Oh oh oh whoaa

Coldest Summer  
Under The Covers  
Can't Change The Weather  
What A Bummer.
