it has been so long since we have talked
i hope that things are still the same
hoping they will never change
'cause what we had can't be replaced
don't let our memories fade away
keep me in your heart for always

you made me believe
i can do almost anything
stood right by me
through the tears through everything

[chorus]
i'll remember you
and baby thats forever true
and your the one that i'll always miss
never thought it would feel like this
i'll be there for you
no matter what your going through
in my heart you'll always be forever baby
i'll remember you

i promise you
i won't forget
the times we shared
the tears we've cried
you'll always be the sun in my sky
it may be fate that brings us back
to meet again someday
even though we go seperate ways

you made me believe
that i can do almost anything
you stood right by me

through the tears through everything

[chorus]
i'll remember you
and baby thats forever true
and your the one that i'll always miss
never thought it would feel like this

i'll be there for you
no matter what your going through
in my heart you'll always be forever baby
i'll remember you

if the day should come when you need someone
you know that i follow i will be there
don't ever let there be a dought in your mind
'cause i'll remember you, you
[chorus]
i'll remember you
and baby thats forever true
and your the one that i'll always miss
never thought it would feel like this
i'll be there for you
no matter what your going through
in my heart you'll always be forever baby
i'll remember you

forever baby i'll remember you
