Ive been waitin all day 4 ya babe,

and tell me how were gonna b together always,
i hope ya know when its l8 at night,
i hold on 2 my pillow tight,
and think of how u promised me 4eva,
(i never thought that any1)
could make me feel this way
(now that ur here boy all i want)
is just a chance to say

(chorus)

Get out, (leave) right now
its the end of u and me
its 2 l8 (now) and i cant w8 4 u 2 b gone,
and i know about her (who) and i wonder (why)
how i bought all the lies
u said that u would treat me right
but u wuz just a waste of time (waste of time)

Boy tell me y u lookin so confused,
when im the 1 who didnt know the truth,

how could u eva b so cold,
2 go beind my back and call my friend,
boy u must have gone and bumped ur head,
cause u left her number on ur phone,
(now after all is is said and done)
mayb im the 1 to blame but oh oh oh
(to think that u could b the 1)
well it didnt work out that way

(chorus)

i wanted u right here with me
but i have no choice uve gotta leave
cause my heart is breakin'
with every word im sayin'
i gave up everything i had
on something that just wouldnt last
but i refuse to cry
no tears will fall from these
