Where am I need to get out Who am I figure it out
Trapped inside my own shell
My mind holding me down
Question what's this about
Not feeling like myself
Not feeling like myslef

What's real keeps shifting
Can't feel the ground beneath me
I'm making on the edge

And I'm afraid to hold on
Afraid to let go
Too scared to venture to the unknown
My heart says move on
I'm ready to run
Waving for courage
Im stuck in limbo limbo limbo
I'm stuck in limbo limbo
And I aint trying to be stuck no more!

it's time to take a chance
Right now no turning back
Forget my fear of failing
What's worth risking my life
It's my choice to try to fly
And I choose to break free
And I choose to break free though

What's real keeps shifting

Can't feel the ground beneath me
I'm making on the edge

And I'm afraid to hold on
Afraid to let go
Too scared to venture to the unknown
My heart says move on
I'm ready to run
Waving for courage
Im stuck in limbo limbo limbo
I'm stuck in limbo limbo

And I aint trying to be stuck no more!

I wanna run run run run
Wanna run to freedom
Trying to find the strength with in me
Me...

And I'm afraid to hold on
Afraid to let go
Too scared to venture to the unknown
My heart says move on
I'm ready to run
Waving for courage
Im stuck in limbo limbo limbo
I'm stuck in limbo limbo
Limbo limbo limbo limbo
I'm stuck in limbo limbo limbo
And I aint trying to be stuck no more!
No more no more no more...
