## "Never Say Goodbye"

Never been in love  
Cause a girl like me  
Never had someone to care for  
Never thought there could be  
Someone special for me  
But now I'm all in love  
Cause a girl like me  
Waited patiently for someone  
Someone to care for me  
And there will never be

No more lonely, no more just me  
Been there before  
Ain't goin no more  
And now that you're here I  
Never wanna say goodbye love  
Never wanna be without you  
No more cryin, no denyin'  
I'm in love with you  
And now that you're here I  
I never wanna say goodbye love

Now it's time for me  
To find out what the first time love could mean  
Little scared but it's cool  
Cause it's worth it  
Now I finally fell in love  
And I know that it  
Gots to be for real (So real)  
It's the way that I feel  
So come share my world with me  
So there will never be

No more lonely, no more just me  
Been there before  
Ain't goin no more  
And now that you're here I  
Never wanna say goodbye love  
Never wanna be without you  
No more cryin, no denyin'  
I'm in love with you  
And now that you're here I

I never wanna say goodbye to love

So I'm standing here  
Arms open wide  
Ready to give my heart  
I'm sure this time  
Love's gonna last for life  
Baby I know things change  
And there might be some rain  
But the clouds are gonna clear  
And the sun is gonna shine again  
Shine light on our love baby  
So let's make it last forever

No more lonely, no more just me  
Been there before  
Ain't goin no more  
And now that you're here I  
Never wanna say goodbye to love  
Never wanna be without you  
No more cryin, no denyin'  
I'm in love with you  
And now that you're here  
I never wanna say to goodbye love
