I never thought I'd never thought
I'd meet a guy like you
A guy who tells all your secrets
and who doesn't care about you
but the first time i saw you
it was like (ouh)

you made me believe you were great
that i could trust you any day
now theres no way
i'll do something for you
casuse i know your not worth any of this
you never were
and never will be
on that
you can trust me

im not the kind of girl
you can play around
its kindda hard to make me change my mind
after all that your asking me
whats wrong
don't do your innocent
you perfectly know whats makin me sad

i never thought id meet a guy like you
a guy who tells all your secrets
and who doesn't care about you
and thats the last time ill see you
cause

icant trust you
no more...
yu made me real mad
and really sad
you made me suffer and i cant trust you no more
you made me suffer(suffer)
you made me real mad(real mad)
baby you won't dot hat with me no more

i never thought id meet a guy like you
a guy who cant keep a secret

and who tells them all out
but the first time i saw you
it was like (ooohh)X3
