Never been in love,  
Cuz a girl like me neva had someone to care for,  
Never thought there could be,  
Someone special for me,  
And now I'm all in love,  
Cuz a girl like me waited patiently for someone,  
Someone to care for me,  
And there will never be...

Chorus:

No more lonely, No more just me,  
Been there before ain't goin' no more,  
And now that you're here I,  
Never wanna say goodbye love (never wanna be  
without you),  
No more cryin', no denyin',  
I'm in love with you,  
And now that you're here I,  
I never wanna say goodbye love

Verse 2:

Now it's time for me,  
To find out what a first time love could be,  
Little scared but it's cool,  
Cuz it's worth it,  
Now I've finally found love and I know that it,  
Gots to be for real,  
It's the way that I feel,  
So come share my world with me,  
So there will never be...

No more lonely, No more just me,  
Been there before ain't goin' no more,  
And now that you're here I,  
Never wanna say goodbye love (never wanna be  
without you),  
No more cryin', no denyin',  
I'm in love with you,  
And now that you're here I,  
I never wanna say goodbye love

Bridge:

So I'm standin' here,  
Arms open wide,  
Ready to give my heart,  
I'm sure this time,  
It's gonna last for life,  
Baby I know, things change,  
And there might be some rain  
But the clouds are gonna fade,  
And the suns gon shine again,  
Shine light on our love, baby,  
So lets make it last forever!

No more lonely, No more just me,  
Been there before ain't goin' no more,  
And now that you're here I,  
Never wanna say goodbye love (never wanna be  
without you),  
No more cryin', no denyin',  
I'm in love with you,  
And now that you're here I,  
I never wanna say goodbye love  
La da da da da da da da da  
Ohhhhhhhhhhhhhh
