I still know your number I'm sure you have mine  
I love to answer if you call tonight  
Cause you never wonder what I would say  
You just assume that I'm still hooked on you  
Don't you-uu don't have to be in love with me anymore  
(Cause you've been replaced)x3  
I I don't have to be in love with you anymore  
(Cause you've been replaced)x3  
You made me feel stupid and you did it well  
So don't try come around you really don't have to  
To say that you want me you only want me cause  
You see I'm happy and your just pretending  
Don't you-uu don't have to be in love with me anymore  
(Cause you've been replaced)x3  
I I don't have to be in love with you anymore  
(Cause you've been replaced)x3  
You took the wall for me to get over  
But didn't now you try to come back over  
But this is finished  
You-uu don't have to be in love with me anymore  
(Cause you've been replaced)x3  
I I don't have to be in love with you anymore  
(Cause you've been replaced)x3  
Oh ooh  
You-uu don't have to be in love with me anymore  
(Cause you've been replaced)x3  
I I don't have to be in love with you anymore  
(Cause you've been replaced)x3
