Sometimes you love me
Like a good boy oughtta
Sometimes you hurt me so bad
My tears run like water
You get me out
Right before your friends
Then you disown me baby
Until we're alone again

Your love is like a see saw
Your love is like a see saw baby
Your love is like a see saw
Goin' up and down all around
It's like a see saw baby

Sometimes ya tell me
You love me, you're my sweet candy man
And then sometimes baby
I don't know where I stand

You lift me up
When I'm on the ground
But as soon as I get up child

You send me tumblin' down

Now your love is like a see saw
Your love is like a see saw baby
Your love is like a see saw
Goin up.... down ... all around
Just like a see saw baby

When I kiss you and I like it
And I ask you to kiss me again
When I reach for you
Ya start to run outta sight
And you take that away from me
That ain't right
That ain't right
That ain't right
That ain't right baby
