I gotta change that station that I have,
Cause all I hear is you,
It just keeps reminding me of all the things we used to
do,
And I know that I should turn off the radio,
But it's the only place I hear your voice anymore,

It's ridiculous,
It's been months since I've spoken to you,
Why can't we keep in touch?
Don't know why I can't do this,
But enough is enough,
No more walking around with my head down,
I don't want to be a fool crying over you,

If your so sick of love songs,
So tired of tears you said you loved me,
Why aren't you here?
I'm so sick of your love songs so sad and slow,
I just can't turn off the radio,

I gotta fix that calendar I have that's marked July 16th,
Cause it seems like you've forgot that was our
anniversary,
When I heard your song it made me want to erase your
memory,
Now when I hear your song I know it's meant for me,

I can't believe,
That your so sick of love songs,
So tired of tears you said you loved me,
Why aren't you here?

I'm so sick of your love songs so sad and slow,
But I just can't turn off the radio,

Oh Now that I'm gone
I need to be left alone,
Every time I see your smile or looking at our child,
You should know,
Oh why can't you move on,

your so sick of love songs,
So tired of tears you said you loved me,
Why aren't you here?
I'm so sick of your love songs so sad and slow,
But I just can't turn off the radio,
If your so sick of love songs,
So tired of tears you said you loved me,
Why aren't you here?
I'm so sick of your love songs so sad and slow,
But I just can't turn off the radio,
If your so sick of love songs,
So tired of tears you said you loved me,
Why aren't you here?
I'm so sick of your love songs so sad and slow,
But I just can't turn off the radio,
I just can't turn of the radio,
I just can't turn off the radio,
