### "The House That Jack Built"

This is the house that Jack built y'all  
Remember this house

This was the land that he worked by hand  
This is the dream of an upright man  
There was a room that was filled with love  
It was a love that I was proud of  
There was a life that I had planned  
With my love, my same old love  
In the house that Jack built  
Remember this house

There was a fence that held our love  
There was a gate that walked out of  
There was a heart that was turned to stone  
This is the house that just ain't no home  
There was a love that I destroyed  
With my love, my same old love  
In the house that Jack built  
Remember this house

Oh, what is the use of crying?  
Because I brought it on myself  
There ain't no relying  
And it seems awful funny  
That I didn't understand  
Until I lost my upright man

Up on the hill everything stands still  
In the house that Jack built  
Remember this house

I got the house  
I got the car  
I got the rug  
And I got the rack  
But I ain't got Jack  
And I want my Jack back

I turned my back on Jack

He said he wasn't coming back  
I turned my back on Jack  
He said he wasn't coming back  
Well come on back, come on back  
To the same one you built  
Yeah, it's the same one you built  
Better come on back Jack  
Oh, come back Jack  
Baby, you can't understand  
Until you lose your upright man  
You better come on back Jack  
Better come on back Jack  
Oh, come back Jack
