You told me that she's the girl you just look down on
La La La Bum Bum La La La La
You love me more 'cause I'm the one you put your
mouth on
La La La Bum Bum La La La La
You don't even look her way
'Cause she's so 'effin yesterday

But you pull up to the party
She's in the passenger's seat
I thought that hoe was a joke
But she's laughing at me

Come to find out,
That I'm the other bitch
And you never loved me
She was so over me
Now there's no doubt,
That I'm the other bitch
And you never loved me
'Cause I'm just the other bitch

So I was just some babe that you eff'd around on
La La La Bum Bum La La La La
I must admit you're good
Oh yeah, you got the crown on
La La La Bum Bum La La La La
I'm so effing yesterday
'Cause you don't remember my name

I'm so much hotter than her
But I guess you disagree
I thought that hoe was a joke
But she's laughing at me

Come to find out,
That I'm the other bitch
And you never loved me
She was so over me
Now there's no doubt,
That I'm the other bitch

And you never loved me
'Cause I'm just the other bitch

I had the keys to your car
She had the key to your heart
Such a mistake on your part
Good luck in life
Cause I'll be fine
Oh yeah by the way
I faked it every time

Come to find out,
That I'm the other bitch
And you never loved me
She was so over me
Now there's no doubt,
That I'm the other bitch
And you never loved me
'Cause I'm just the other bitch
