*[Verse 1:]*

Come with me  
Stay the night  
You say the words but boy it don't feel right  
What do ya expect me to say (You know it's just too  
little too late)  
You take my hand  
And you say you've changed  
But boy you know your begging don't fool me  
Because to you it's just a game (You know it's just too  
little too late)

So let me on down  
'Cause time has made me strong  
I'm starting to move on  
I'm gonna say this now  
Your chance has come and gone  
And you know...

*[Chorus:]*

It's just too little too late  
a little too wrong  
And I can't wait  
But you know all the right things to say (You know it's  
just too little too late)  
You say you dream of my face  
But you don't like me  
You just like the chase  
To be real  
It doesn't matter anyway (You know it's just too little too  
late)

Yeah yeaahhhh... It's just too little too late... Mhmmm

*[Verse 2:]*

I was young  
And in love  
I gave you everything  
But it wasn't enough  
And now you wanna communicate (You know it's just  
too little too late)  
Go find someone else

In letting you go  
I'm loving myself  
You got a problem  
But don't come asking me for help  
'Cause you know...

*[Chorus:]*

It's just too little too late  
a little too wrong

And I can't wait  
But you know all the right things to say (You know it's  
just too little too late)  
You say you dream of my face  
But you don't like me  
You just like the chase  
To be real  
It doesn't matter anyway (You know it's just too little too  
late)

*[Bridge]*

I can love with all of my heart, baby  
I know I have so much to give (I have so much to give)  
With a player like you I don't have a prayer  
That's no way to live  
Ohhhh... mmm nooo  
It's just too little too late  
Yeaahhhh...

*[Chorus:]*

It's just too little too late  
a little too wrong  
And I can't wait  
But you know all the right things to say (You know it's  
just too little too late)  
You say you dream of my face  
But you don't like me  
You just like the chase  
To be real  
It doesn't matter anyway (You know it's just too little too  
late)

Yeah  
You know it's just too little too late  
Oh, I can't wait

*[Chorus (fading):]*

It's just too little too late  
a little too wrong  
And I can't wait  
But you know all the right things to say (You know it's

just too little too late)  
You say you dream of my face  
But you don't like me  
You just like the chase  
To be real  
It doesn't matter anyway (You know it's just too little too  
late)
