Let's go, yeah  
Bow Wow, remix  
Jojo, let's go  
Sing to 'em, baby

Can somebody explain to me  
Why everybody is trying to be  
Living like a celebrity  
Doing what they see on MTV?  
Ice is cool but I am looking for more  
Simple things is what my heart beats for

'Cause it's me, I don't ask for much  
Baby, having you is enough

You ain't got to buy nothing, it's not what I want  
Baby, it's you, we don't have to go nowhere  
It's not what I want, baby, it's you  
It's not for what you got 'cause I know you got a lot

No matter what you do, you always gettin' hot  
It's you, it's you  
Baby, all I want is you, yeah

It don't matter that your car is fly  
And your rims are spinning on the side  
And it don't matter where we go tonight  
'Cause if I'm with you I'll be alright  
That's cool but I'm lookin' for more  
It's your love that my heart beats for

'Cause that's me, don't have to spend a dime  
Baby, I just want your time

You ain't got to buy nothing, it's not what I want  
Baby, it's you, we don't have to go nowhere  
It's not what I want, baby, it's you  
It's not for what you got 'cause I know you got a lot

No matter what you do, you always gettin' hot  
It's you, it's you

Baby, all I want is you, yeah

5, 4, 3, 2, 1

Baby girl, don't care 'bout my dog step  
And she get down chick and she knows I love that  
She sees past all these Bow Wow stuff  
Because she knows at the end of the day  
The only thing that matters is us

And there be a lot of groupies wanna roll  
But they can't do nothing for me  
I gotta get a girl back at home  
Matching Charm bracelets and pendants

Whoever thought our relationship will be so  
tremendous  
And lately you've been missing me crazy  
And anytime you miss me baby, sidekick page me  
I got a don piece, you know, she's the bomb

The type of girl you bring back home just to meet your  
mum  
I'm not Forensty but I think I'm caught in love Jones  
'Cause I think 'bout her every time I hear my slow songs  
And when she thinks about me, I think about her too  
When she ride for me, baby, I'ma ride for you, let's go

You ain't got to buy nothing, it's not what I want  
Baby, it's you, we don't have to go nowhere  
It's not what I want, baby, it's you  
It's not for what you got 'cause I know you got a lot

No matter what you do, you always gettin' hot  
It's you, it's you  
Baby, all I want is you, yeah

You ain't got to buy nothing, it's not what I want  
Baby, it's you, we don't have to go nowhere  
It's not what I want, baby, it's you  
It's not for what you got 'cause I know you got a lot

No matter what you do, you always gettin' hot  
It's you, it's you  
Baby, all I want is you, yeah
