Party like lit's yo birthday  
Shake it like an earthquake  
Melting like an ice cream cone  
Going for his danger zone  
Go and suck my lollipop

Sugar sweet cherry topped  
Fur shure fit  
To legit  
Hot spot  
Twirk it b! tch  
Strip it down  
Work it up  
Baby let me  
Fill your cups  
O to the m to the geeeee  
Sticky messy  
Taste my treat  
But I love it when you  
Scream for my ice cream  
Tell me all your dirty dreams

Well show me what's your fantasies

Gunna cram it down your throat

Pull my hair smash the chair  
Break the bed & give me head
