oooohh..

Just the other night,
I saw those eyes, that face.
In the middle of my dreams.
She was by your side 5'5 big thighs nice frame
now she's next to me.

Now I can't even front like I'm feeling another,
I'm talking keys to the crib it's your mother,
I'm talking first class trips with each other,
I can't let you get away no.

(chorus)
uh oh, oh oh
hey little mama
uh oh, oh oh
it's nice to meet ya
uh oh, oh oh
wutchu think about wining dining girl I'm buying
uh oh, oh oh
hey little mama
uh oh, oh oh
just wanna please ya
uh oh, oh oh
I'm thinkin bout spending chips on cribs and shit for
you.

You really like the type,
so fly, but you shy to say(that you really feel me too)
Girl aint men like I don't come around everyday,
And all your girls are still with you.

Now I can't even front like I'm feeling another
I'm talking cribs and a lake for the summer.
I'm talking you calling me baby father
I can't let you get away no!

(chorus)
