Sometimes I realise that the best will come if you work at it,  
Sometimes I sympathise that it doesn't always happen when you begin it,  
Yeah! We got a good thing going,  
I'm gonna say I'd give it all up for you Yeah! Yeah!  
Sometimes I see the light but only down the line, when it's night, Yeah!  
Sometimes I put it right but only on the draw in sa gun fight.  
Yeah! We got a good thing going,  
I'm gonna say I'd give it all up for you Yeah! Yeah!  
(Chorus)  
I've got something to say Yeah! Yeah! Yeah! Yeah!  
I'm a lining today Yeah! Yeah! Yeah! Yeah!  
Which game do you play Yeah! Yeah! Yeah! Yeah!  
I can see it for myself.  
Sometimes I see the light but only down the line, when it's night Yeah!  
Sometimes I put it right but only on the draw in a gun fight.  
Yeah! We got a good thing going,  
I'm gonna say I'd give it all up for you Yeah! Yeah!  
(Chorus)  
Guitar solo  
Yeah! We got a good thing going,  
I'm gonna say I'd give it all up for you Yeah! Yeah!  
(Chorus)
