Picture This we're in a house  
There's no one about  
Then he said let's go for a fly  
Up in the sky above.  
Step outside see what's waiting there  
It's all for us,  
Climb aboard and take a seat,  
Get ready to fly with us, Tell Me.  
(Chorus)  
What are you doing with your life?  
What are you doing with your life?  
What are you doing with your life?  
I can see the birds flying in the sky so  
What are you doing with your life?  
We're going up, we're coming down,  
We're just fooling around  
We're wooshing left, we're swooping right  
We're almost crashing into the ground, so..  
(Chorus)  
There we were, the swine and me  
We turned the corner,  
What do we see?  
Picture this,  
We're on a mountain.  
Then I heard the sweetest words  
That Plane is off to Figi>  
(Guitar Solo)  
(Piano Solo)  
(Chorus)  
(Chorus)
