Hello girl, it's been awhile
Guess you'll be glad to know
That I've learned to laugh and smile
Gettin' over you was slow

They say old lovers can be good friends
But I never thought I'd really see you
I'd really see you again

I go crazy when I look in your eyes
I still go crazy, no my heart just can't hide
That old feelin' inside, way deep down inside
Oh baby, when I look in your eyes, I still go crazy, yeah

You say he satisfies your mind
And tells you all of his dreams
I know how much that means to you
I realize that I was blind

Just when I thought I was over you
I see your face and it just ain't true
No it just ain't true

I go crazy, you know when I look in your eyes
I go crazy, that old flame comes alive
And it starts burnin' inside, way deep down inside, oh
baby
You know when I look in your eyes, I go crazy, crazy,
yeah

I go crazy, you know when I look in your eyes
I go crazy and no my heart just can't hide
That old feelin' inside, way deep down inside

Oh baby, you know when I look in your eyes
I go crazy and that old flame comes alive
And it starts burnin' inside, way deep down inside, I go
crazy
