"I Would"

I am just bone and flesh
Imperfect at best
I bleed and I cry

Sometimes I'm helpless and frail
I fall and I fail
However, I try

But in your arms I'm invincible
All my fears seem invisible

If I had to swim a thousand oceans
If I had to walk a million miles
If I had to stop the world from turning
I would, I would
I would go anywhere to touch you
I would do anything to show you
How desperately I love you
I would, I would, I would, I would, I would

You are feeling my fire
By resting I'm tired
And just hanging on, yeah

When I'm all out of breath
And ready to quit
You keep me strong
Even if it sounds illogical
Even though it seems impossible

If I had to swim a thousand oceans
If I had to walk a million miles
If I had to stop the world from turning
I would, I would
I would go anywhere to touch you
I would do anything to show you
How desperately I love you
I would, I would, I would, I would, I would

Baby, in your arms I'm invincible
All my fears seem invisible

If I had to swim a thousand oceans
If I had to walk a million miles
If I had to stop the world from turning
I would, I would
I would go anywhere to touch you
I would do anything to show you
How desperately I love you
I would, I would, I would, I would, I would

I would
