I wanna give all that you need
As long as I live, but I can't be everything all of the time
Boy take it easy it's a long ride

Don't go ballistic on me
Don't get cerebral hunny
I thought this thing was supposed to be fun

If it ain't broke, don't break it
I'm thinkin' we can make it
Stop trying to complicate it
Baby, it's only love

Let's take a drive
Let's spend the night
Kissing and talking 'bout the stupid things that we did
when we were young
Let's not forget how far that we've come

Don't go ballistic on me
Don't get cerebral hunny
I thought this thing was supposed to be fun

If it ain't broke, don't break it
I'm thinkin' we can make it
Stop trying to complicate it
Baby, it's only love
Oh, baby it's only love

It's only natural to doubt
We're gonna have our ups and downs
Just shake it off
It's only love

Look in my eyes
Don't get uptight
Hunny, it's gonna be alright

Don't go ballistic on me
Don't get cerebral hunny
I thought this thing was supposed to be fun

If it ain't broke, don't break it
I'm thinkin' we can make it
Stop trying to complicate it
Baby, it's only love

Don't go ballistic on me
Don't get cerebral hunny
I thought this thing was supposed to be fun

If it ain't broke, don't break it
I'm thinkin' we can make it
Why don't we just get naked
Baby, it's only love

Oh, baby it's only love
Yeah
Baby, it's only love
Love, love, love
